PROFILE

BCA student and aspiring Software Developer with hands-on experience in full-stack web development using React.js, Node.js, Express.js, MongoDB, HTML, CSS, JavaScript, and SQL. Built and deployed multiple production-ready applications with RESTful APIs, authentication, CRUD operations, and database integration. Strong understanding of OOP, DBMS, and basic Data Structures. Actively uses Git, GitHub, and AI-assisted tools for debugging, optimization, and rapid development. Seeking software developer internship or entry-level role.

EDUCATION

Bachelor of Computer Applications (BCA) | 2023– 2026

Delhi Skill and Entrepreneurship University

Work Experience

Full Stack Development Intern – Certify Technology (Virtual) | Sep 2025 – Oct 2025

- Developed and integrated full-stack features using React.js, Node.js, Express.js, and databases.
 - Implemented RESTful APIs, backend logic, and frontend components following industry workflows.
-

SKILLS

- **Web & Application Development:** React.js, Node.js, Express.js, HTML5, CSS3, JavaScript, REST APIs
 - **Databases & Backend:** MongoDB, MySQL
 - **Programming Languages:** Python, C, C++
 - **Core Concepts:** Object-Oriented Programming (OOP), Database Management Systems (DBMS), Data Structures and Algorithms
 - **Tools & Platforms:** Git, GitHub, AI-assisted development tools
-

Projects

Blog Website (MERN Stack) | [GitHub](#) | Sep 2025 – Oct 2025

- Built and deployed a full-stack MERN application using React, Tailwind CSS, Node.js, Express, and MongoDB
- Developed RESTful APIs and implemented full CRUD functionality with responsive UI

Automated Expense Splitter | [GitHub](#) | Jun 2025

- Developed an expense management application with automated cost tracking and settlement using Python
- Implemented backend logic for equal and percentage-based expense splitting

Library Management System | [GitHub](#) | Nov 2024

- Developed a Python-based desktop application using Tkinter, ttkbootstrap, and MySQL
 - Implemented core library operations including record management and database integration
-

Extra-Curricular Activities

Assistant General Secretary – RC E-Cell (College Entrepreneurship Club)
